Mr. Gutierrez,

I had conversation with USAC regarding your lost appeal to them. They indicated that the appeal sent to USAC on October 1, 2015 went into the SPAM folder. They have logged your appeal in as of October 1, 2015. You will receive a decision from USAC. With that information, would you like to withdraw your appeal that's pending before the FCC? If so, please respond to this email indicating that you would like your appeal filed on November 24, 2015 withdrawn.

Sincerely,

Adrian Wright

Adrian, the email I sent you was an exact forward of the email I sent to USAC, the time stamp is in the forwarded email. I am out of the office in a workshop but I took screen shots on my phone, please see attachment. When I get back to the office I can send more screenshots from Outlook

Hello Mr. Gutierrez,

I have looked through the documentation that you provided. I see nothing in your attachments that shows me the original email you sent to USAC with the date and time stamp showing that you sent your appeal to USAC timely nor do I see a screen shot of the original email to USAC. Can you please provide that information?

Thanks,

Adrian Wright
